

This survey is about perceptions of sustainability for the retail sector. Your responses are anonymous and will be combined with those of other respondents, for use in the Massey University course 115.109 Introduction to Business Data Analysis, and potentially in Massey research on business sustainability.

By completing the survey you are giving permission for your anonymous responses to be used for these education and research purposes. You can stop participating at any time.

If you have any questions about the survey, please contact Andrew Murphy (the course coordinator) at a.j.murphy@massey.ac.nz.

This project has been evaluated by peer review and judged to be low risk. Consequently it has not been reviewed by one of the University's Human Ethics Committees. The researcher named above is responsible for the ethical conduct of this research.

If you have any concerns about the conduct of this research that you want to raise with someone other than the researcher, please contact Professor Craig Johnson, Director (Research Ethics), email humanethics@massey.ac.nz.

What does sustainability mean to you? Select as many of the following as apply (you do not need to choose all the items). If you do select multiple items, please drag the most important to the top and the least important to the bottom (you can rearrange with the 'chosen items' box).
